Dear Harold & Lillian Weisberg,

Thanks for your gracious note concerning our meager note on WHITEWASH (which you kindly called an ad) and for your appreciation of running Harold's photos--of which more room should have been given, etc...but we're short of money and space.

Anyway: many others have been treated better by us than you and Harold and have been much less appreciative.

Our #5 has a review of Harolds New Orleans book and I will send copies.

It was good to hear from you & we send our best,

Bill Boroff
